Dear Sir:

This is in response to the Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US), mailed from the U.S. Patent and Trademark Office on January 9, 2002. Applicants submit the following documents:

1. a copy of the Notification of Missing Requirements;
2. a paper copy and computer readable form (diskette) of the one-page Sequence Listing of SEQ ID NO:1 through SEQ ID NO:2;
3. a statement that the paper and computer readable form are the same and include no new matter;
4. a copy of a Revocation of Power of Attorney or Authorization of Agent, along with a copy of the recorded Assignment to Heska Corporation, filed with the PTO on September 18, 2001; and
5. an Associate Power of Attorney.

REMARKS

PatentIn 3.1 was used to prepare the paper and diskette copies of the "Sequence Listing" of SEQ ID NO:1 through SEQ ID NO:2. Applicants respectfully submit that the replacement paper and diskette copies of the "Sequence Listing" embody merely the sequences as listed in the specification and therefore include no new matter.

Applicants hereby assert pursuant to 37 CFR § 1.821(f) and (g) and § 1.825(b) that the content of the initial paper and computer readable copies of SEQ ID NO:1 through SEQ ID NO:2 submitted are the same and include no new matter.

Applicants note the Notice of Missing Requirements was sent to the old address even though a Revocation of Power of Attorney or Authorization of Agent, along with a copy of the recorded Assignment to Heska Corporation, was filed on September 18, 2001, changing the attorney of record and address to the above address.

Applicants do not believe that fees are due, but in the event fees are due, please debit Deposit Account No. 081930.

Respectfully submitted,
